The four year rollercoaster ride through the halls of Jonathan Dayton has entered its final loop. As graduation approaches we reminisce about the ups and downs of high school and wonder where time has gone. Images of the dreaded first day cloud our minds but are quickly replaced by fond memories of pep rallies, football games, the senior prom and the homecoming dance. We try to forget our years of final exams but we will never forget the faculty that so enriched our lives by sharing knowledge and a part of themselves. We endured four years of worrying about our futures but have made promises to always remember special friendships. For the rest of our lives we will carry with us memories of Jonathan Dayton, that red brick rollercoaster which has greatly affected our lives.

FACULTY AND CURRICULUM

ADMINISTRATION

Miss Anne Romano

This year Miss Anne Romano, our principal, celebrates her 40th year at Jonathan Dayton. Beginning as a student, returning as a teacher and finally assuming the job of principal, she stands firmly as the backbone of the high school. Her many years of service have earned her the respect of one and all. The class of 84 is grateful for her dedication, and for the faith and pride she holds in us. We are certain she will enrich the lives of many students to come.

Mr. Manuel Pereira

"Big Man on Campus" is definitely an accurate description of Dayton's vice-principal, Mr. Manuel Pereira. Through the years, though, the students have learned not to be petrified by his imposing stature since he is a fair and understanding man. Nevertheless, few students cherish the opportunity to be sent to Pereira's office. The Saturday school potential is often a strong deterrent to tardiness and misbehavior. Many students have attested that Mr. Pereira is actually a "cool guy" and that his punishments are fair.

"CONFRONT CONFUSION DISCOVER DIRECTION"

Caring, our way of life. The Key Club, a service organization, prides itself on aiding both the school and community. This year's International Theme, "Confront Confusion, Discover Direction," has prompted club officers to organize numerous activities to benefit charity groups. Two of the most successful fund raising activities were the Leukemia Bowl-A-Thon raising 4,000, and a Mothers' March for the March of Dimes raising over \$1,000.

Highlights of the year for Key Clubbers include the Leadership Training Conference held in the fall at Great Adventure Park and the N.J. District Convention held from April 6-8 at Mount Airy Lodge in the Poconos. Since Dayton is ranked as one of the top clubs in the country, club members hope to place well in the achievement, single service, and scrapbook awards at the exciting convention.

VARSITY CLUB

Under the leadership of Mr. Roland Marionni, the Varsity Club's main objectives to encourage school spirit. Students who have earned a letter in any varsity sport are eligible for membership in the club.

The Latin Club, headed by Mrs. Barbara Hedges, has highlighted its past several years with many fun activities. Later on, the club had a traditional Halloween party and all of its members came dressed as all kinds of things! In the spring the Latin Club attended the state convention.

Although the language — Latin is not spoken and is considered a "dead language" — the Latin club is certainly alive and full of spirit.

Besides ushering at plays and musicals, the student auxiliary directs parents on Back to School Night, and incoming eighth graders at Freshman Orientation. A very special treat for the girls was greeting Governor Kean.

Mr. Rossi breaks the film projector

The Executive Search Club, a fairly new program, consists of students from the Accounting II class. The club's advisor is Mr. Julius Rossi. The members' main purpose is to help people who are less fortunate. An example of the Clubs' activities is the annual Christmas "Sharing is Caring" program in which half of the food made is given to needy families. The club tries to service students in the school filing income tax returns. Also, an annual field trip is taken to the New York Stock Exchange and guest speakers from the Business world are provided to the class. In the future, the club hopes to receive a greater standard in helping the community and the student body.

DRAMA CLUB

Brian Dailey, Mr. Trinity, Chris Cochran and Ellen Friedman study a student workshop production.

Under the talented leadership of Mr. Joseph Trinity, the Drama Club gives students opportunities to learn and develop various acting skills. Besides being involved in the school's productions of "Barefoot in the Park", "Hello Dolly" and "The Curious Savage," Drama Club members present plays and scenes during their after school meetings. These student productions help develop the talents of the students by the presentation and the critiques given by fellow students.

This year the club had a number of fund raisers to help raise money for the Spring production. Having active membership in the Drama Club, involvement in plays and work behind the scenes often lead to admittance to the National Thespian Society. The Society is established to honor their students who demonstrate outstanding achievement.

1984 Chorale

The 1983-84 Dayton Chorale had a very successful year. The usual department concerts were held in November, March and June. In addition Chorale was featured in the 10th annual chorale and Alumni performance of Handel's Yessiah at the Mountainside Presbyterian Church. Conducted by Ms. Brenda Kay, the performance was accompanied by full orchestra. Chorale members Brian Dailey, Amy Van Pelt and Lisa Kim Bane were honored by being chosen as soloists along with a host of alums.

To enhance the holiday season chorale showed its spirit by carolling at The Short Hills Mall, The Newcomers Club, The Notary Club and Knights of Columbus. The donations received at these events and monies raised at the pumpkin sale, spaghetti dinner, flower sale and T-shirt sale were used to attend an ed-judication in Montreal on the weekend of May 18, 1984.

SCIENCE LEAGUE

1983-1984 was a challenging season for the Jonathan Dayton Science League teams. The Chemistry Team, coached by Mr. Marionni, and the Physics Team, coached by Mrs. Mary Shanahan, competed at Summit, New Providence, Governor Livingston and Millburn High School.

Each team has four students competing. The two highest scores from each team are combined to make the final team score. After competing at each meeting, the teams are then ranked in the state.

Jonathan Dayton was represented in the Chemistry Competition by Gary Getchlik, Glen Getchlik, Julie Smith and Alan Talarsky. The Physics Team starred Mark Shanahan, Jacquie Kelk, Jenny Karady and David Cole.

Mrs. Shanahan, reflecting back on the season, explained, "Dedicated students make the season successful and worthwhile."

The Dayton Bulldogs this year started a rough season with the biggest rival, Kenilworth (the Brearley Bears.) This important game ended in a close tie. The Dawgs then defeated Bound Brook, Governor Livingston, and Manville, shutting out both Governor Livingston and Manville with a score of 21-0. The Bulldogs were led by team leaders Richie Policastro, Tony Apicella, Michael McNany, Matt Dooley, Ed Kisch, Brett Walsh, Rob Martinetti, John Baber, and Glen Booker.

Our defense was ranked fourth in our conference with leaders being Joe Diana, #1, Darren Iaone, #2. Our offensive leaders were Richie Policastro as quarterback, tailback Brett Walsh, fullback Rob Martignetti, and guard Matt Dooley. The Bulldogs ended their season with a record of 3-5-1 losing Thanksgiving 18-7 to Hillside, the #2 ranked in Group II.

GYMNASTICS

The 1983 season proved to be very successful for the Jonathan Dayton Gymnastics Team. Despite their difficult schedule they finished the year with a respectable 9-5 record and a 4th place finish in both the Union County Tournament and the Bulldog Invitational Meet.

Unfortunately Linda Anagnos and Carol Carpenter, the team's co-captains, and senior Joanne Fusco, missed part of the season due to injuries; however, they provided the team with the leadership and enthusiasm needed for a successful season.

The majority of the team's scoring came from the all-around performers, Carmela Carpenter, Gina Pashian, and Karen Rose. They worked very hard during the off-season, and it was apparent in all-around performances.

GET A KICK OUT OF GIRLS' SOCCER

This year the girls' varsity soccer team showed some good talent. The four captains; Lisa Wood, Patty Kelly, Michele Coddington, and Kathy Meixner were the backbone of the team. Outstanding defense was played by Marlo Coddington, Nancy Klaskin, and freshman Suzanne Crane. The team faced a very tough schedule, but played well against their opponents. With a large amount of underclassmen returning next year, the team should do well.

SWINGING TO A WINNING SEASON

This year the girls tennis team, under the coaching of Ed Jasinsky, had an awesome season. With a record of 19-4, the Team placed second in the county tournament and captured the title of Mountain Valley Conference Champions. Seniors Alison Këehn, Linda Hockstein, and Janie Ginsberg, who all will receive gold varsity letters this year, have put in much time and effort to the development of the team.

Elizabeth Schramm returned to her spot at first singles and placed second in the Union County Tournament. At second singles, Linda Hockstein had only one loss and took first place in the County Tournament. Newcomer Kim Sommers took over the third singles spot. Alison Keehn and Janie Ginsberg defended the team at first doubles and Vicki Anderson and Jeanie Perotta played second doubles rotating occasionally with Nina Kleiner and Elisa Segal. Coach Jasinsky was extremely happy with the team's performance and has high hopes for next year's season.

Aside from cheering, the girls baked cookies for the basketball team and started the season with a dinner held at Meri Lefkowitz's house which her mother prepared. Through thick and thin, the squad held their heads high in the victorious season.

The squad consisted of seniors: Lisa Barre, Joanne Fusco, Debbie Zandell, Karen Rose, Gina Pasiain, and Juniors: Carol Tarantula, Jenny Karady, Meri Lefkowitz, Leslie Meskin, Denice McDonald, and Sophomore Donna Tedesco. The Boys' Basketball Team, coming off a winning season last year, was destined to improve their record. To Coach Yanchus's surprise, the Bulldogs ended their season with a record of 19-6, winning the Mountain Valley Conference. The Bulldogs were led by Senior, Glenn L. Booker, who was named the best defensive player on the team. Junior, Mike Graziano, was a main asset, leading the team in steals. Offensively, Mitchel Nenner contributed a strong force at point guard, with Eric Wolf there to assist with his "clutch" defensive plays. David Cole also contributed on rebounding and power moves. The bench was well supported with co-captains Mike McNany and Chris Federico and Chris Knerim, Jim Dascoli, Carlos Hernandez, Jay Mishkin, and Tom Ellenberger. "It was a season to remember."

GIRLS' BASKETBALL — A WINNING SEASON

This year the girl's varsity basketball team had one of the best seasons in many years. The lady Bulldogs posted a 16-7 record. Included in this record are cherished wins against Ridge and Governor Livingston, which helped them to win second place in the conference. The people that made it happen were, seniors, Kathy Drummond, Linda Hockstein, Traci Karr, and Lisa Wood, juniors, of Kathy Meixner, Michele Coddington, Moira Quillin, sophomore, Dawn Pohlman, and Coach Arthur Krupp.

The 1983 Wrestling season again ended a strong 10 win 4 loss season. The "Dawgs" were led by senior co-captains Tony Apicella (20-8) and Alfie Heckel (25-6). The dual meet season was highlighted by an impressive victory over the number one team in Union County, Governor Livingston H.S., and also defeating Central Jersey Group I State Champion Bound Brook. Other senior letter winners include Jack Zotti and Vince Castellani.

Over the top!

The Dayton Girls' winter track team had an outstanding season this year. Leading them on to victory were seniors, Mary Pat Parducci, Laura Richter, Karen Apicella, Amy Kiell, Nancy Gaglio, Donna Commorato and Sandy Brenner. Traci Biber and the other underclassmen also had a very successful season. Perhaps the highlight of the season was winning the Group II State Championship. This is a first in the history of Dayton Track. Everyone worked hard together as a team and it all paid off in the end.

The Dayton Boys' track team had a very successful season. Among the outstanding runners were Brian Speer, Thomas Lausten, Walter Clarke, Scott Viglianti, Walter Jackson, and John Dahmen. Along with them were the other underclassmen who all put forth a great effort. Mr. Byrne was very proud of his team and hopes next years team will be as successful.

HOMECOMING '83

The Fall Festival this year included the annual banner making contest and hall decorating. The excitement lasted until the final announcement was made. The Seniors, who displayed creativity by decorating their hall in black and white with the theme of Hollywood, took first place in the overall competition.

To conclude this high spirited week the homecoming dance took place on November 18. The finalists were introduced early in the evening. Michael Boland, Walter Clarke, Matt Dooley, Chris Federico, Michael McNany and Richard Policastro were announced as Mr. Regional finalists. The Homecoming Queen finalist were Karen Apicella, Linda Anagnos, Carol Carpenter, Linda Hockstein, Karen Rose, and Laura Stancati. After all the votes were counted the winners were announced. Richard Policastro was crowned Mr. Regional and Linda Hockstein was announced as Homecoming Queen. Also, Craig Kobrin was voted Court jester.

Richie and Linda are both excellent athletes. Richie is captain of the football team and pitcher for the baseball team. Linda is also an outstanding athlete. By the end of her Senior year she will have three gold varsity letters in tennis, basketball and track.

In addition, the following homecoming court was announced, Carmela Carpenter (85) Louise Apicella (86) and Dina Calabrese (87). All the winners should be congratulated on their enthusiasm and school spirit.

The Freshman class shows their school spirit during hall decorating week.

Carol C. and Linda A. smile and root the BULLDOGS on to a victory.

The Senior Class means business when they say "DON'T MESS WITH THE BEST!"

MR. EARL HENDLER

Jonathan Dayton suffered a great loss when a respected member of our faculty, Mr. Earl Hendler, passed away on December 18, 1983.

Mr. Hendler was born on December 17, 1917. His mother was a Hebrew teacher. Mr. Hendler's diverse interests developed from his love of education. Devouring knowledge, Mr. Hendler received his Bachelor's Degree from Rutgers and his Master's from Columbia. He continued his education by completing all the academic work for a PhD in English at Rutgers.

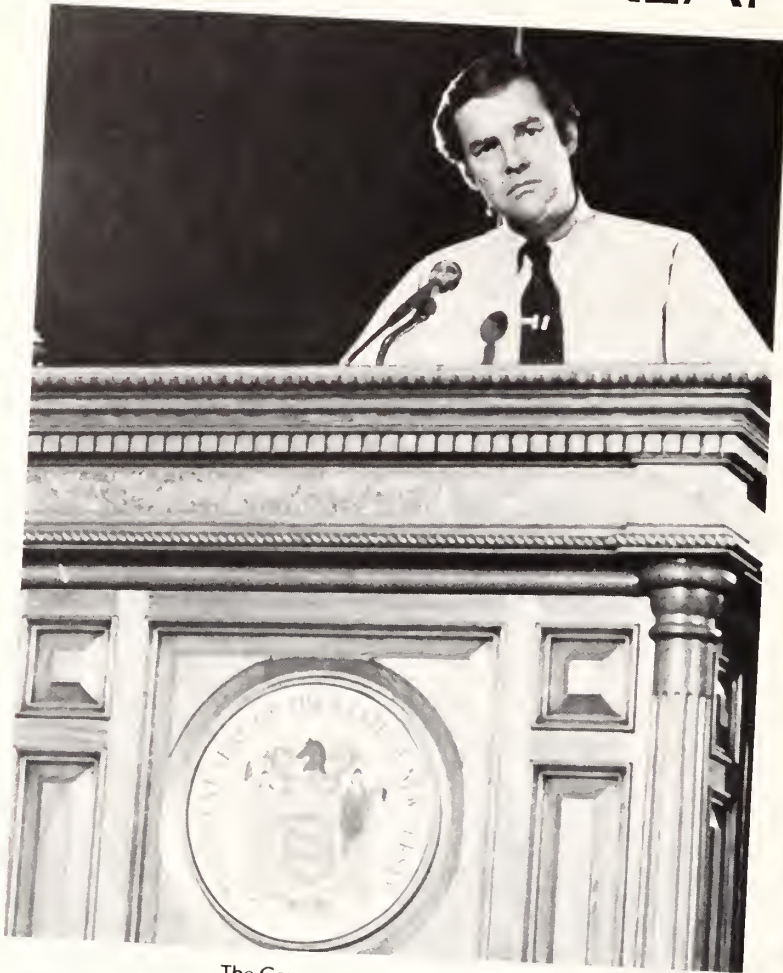

In addition to Mr. Hendler's passion for teaching and his involvement with the American Federation of Teachers, he had many other diverse interests. As a youngster he played in the New Jersey All State Orchestra and carried his talent and love of the violin through his entire life. As a man he was a classical music and jazz enthusiast. Art, politics and science were Mr. Hendler's "passions" and he had quite an affinity for them.

Beginning his teaching career in Newark, Mr. Hendler came to Dayton and taught Effective Writing, Shakespeare and Tragedy and English Literature. Mr. Hendler was also a published poet. Literature magazines such as "The Minnesota Review," "Commentary" and "Prairie Schooner" published his works.

Mr. Hendler will be remembered for his love of education and for his devotion to his students. He will be greatly missed.

GOVERNOR KEAN VISITS DAYTON

The Governor answers questions.

Governor Kean is delighted to be greeted by Dayton's Student Auxiliary.

On Tuesday, September 23, Governor Thomas Kean held a Town Meeting at Jonathan Dayton from 7:00-8:00 p.m.

The Governor's conference was part of a statewide series intended to give the people a more direct voice in state government. Governor Kean was introduced by Springfield's mayor, William Ruocco. Following brief remarks expressing his enthusiasm about having a town meeting in Springfield, which, he noted, was close to home and steeped in history, Governor Kean fielded questions asked by various people ranging from Vietnam Veterans to pharmacists and even some from Regional students.

Senior Bob Edwards poses a problem about insurance.

Laura Parmet questions the "Moment of Silence" bill.

Governor Kean bids a fond farewell to Dayton.
